Cover:

The West Wing Addition on Weeks Hall (architect's rendering, HSR Associates, Madison).

Phase 1 is scheduled for groundbreaking in 2003, see article on page 5, and will contain new research laboratories for the Center for Geomicrobiology (photo: William Barker); high technology classrooms (photo: Mary Diman); computers for access to the electronic library (photo: UW Archives); compact storage for library materials; and offices for students and staff. Fund raising for Phase 2 will follow completion of Phase 1 and in order to expand the Geology Museum.

Department of Geology and Geophysics
