Karen Mullins retired from her position as program assistant and receptionist in January 2008 after 16 years with the department. Karen skillfully coordinated countless departmental details from her desk in the main office. She was guest-of-honor (here with her husband, Mike) at a party in the Cline Lounge.

Department manager, Teresa Egan, center, enjoyed a farewell lunch with staff at Paisan's. Teresa moved to the UW Waisman Center in September where she is now the Associate Director. L to R: Christine Damon, Jane Fox-Anderson, Karen Mullins, Teresa Egan, Clark Johnson, Mary Diman, and Jean Bahr.

We welcomed Michelle Szabo, right, as department manager, in November 2007.
