

Application Form: 2019 *IsoAstro* Geochronology Workshop

IsoAstro Geochronology Workshop: The integration and intercalibration of radioisotopic and astrochronologic time scales

June 5-11, 2019

Rock Springs, Wyoming @ Western Wyoming Community College

Co-conveners: Dr. Stephen Meyers, Dr. Mark Schmitz, Dr. Bradley Singer, Dr. Michael Smith

The application deadline is March 15, 2019. To apply, please email a PDF of your completed form, and a short curriculum vitae, to: isoastro@gmail.com

Name: _____ Affiliation: _____

Address (please include your full mailing address): _____

Phone: _____ Email: _____

I am presently:

- An undergraduate student A masters student A doctoral student
 A post-doctoral student Other academic staff (researcher, faculty, etc.)

Please briefly explain why you'd like to participate in the 2019 *IsoAstro* workshop (how does it relate to your present or future research/educational objectives?).

All participants in the *IsoAstro* workshop will have the opportunity to give a presentation on their research. If you'd like to give a presentation, please indicate a tentative title.

If you have participated in other workshops that address some of these topics (e.g. EARTHTIME-EU, ECORD summer schools, USSP, etc.), please indicate which ones.

The *approximate* cost to participate in the 2019 *IsoAstro* Workshop is \$800 (this covers room and board, but does not include airfare). Depending upon individual need and available funding, partial/full support of participant costs will be supplied. Please indicate if your participation is dependent upon partial/full support. (Note: regardless of your answer, you will be considered for funding).

- I **DO NOT** require partial/full support to participate in the 2019 *IsoAstro* workshop
 I **DO** require partial/full support to participate in the 2019 *IsoAstro* workshop
